

The WOLONG Group is one of the leading manufacturers of electric power drive system solutions and is one of the Global TOP 5 players in this field. In Europe the group has ten production locations and seven regional sales teams (145 fte in sales), responsible for the sales of all group products in Europe.

## Job description

Our company is continiously growing. Therefore, we are looking for an enthusiastic inside sales department in Denmark. You operate in a demanding and international market, and you face new challenges every day.

In this position you are in daily contact with the customers and field sales representatives of Wolong. You maintain close contacts with customers, colleagues and factories regarding current projects, inquiries, technical details, orders, delivery times etc. Advising the right (technical) solution, issuing quotes and supporting the sales team are your main tasks.

And of course in case of success, which is our main goal, you are responsible for the entire order process.

Because Wolong operates in an international environment, fluent English written and spoken is a must.

## Qualifications

- Commercial or technical educational background
- Experience from commercial & technical sales
- · Good technical understanding
- Background from a similar position
- You have the ability to work independently
- You are capable of keeping objective under pressure
- You have an excellent command of Danish.
  Additional, you are fluent in spoken and written English. German is an advantage.

## We offer

A challenging and inspiring job with possibilities to grow in an international environment. Wolong emphasizes personal development of our employees by internal and external training.

## Information

If you have the desire to be "World Class" then we look forward to hearing why you think you are the ideal candidate for this job.
